### 29<sup>th</sup> Sunday in Ordinary Time (Year A)

**"We must glorify the Lord in all our actions and words".**

**First Reading** (Isaiah 45.1, 4-6)

I have grasped the right hand of Cyrus, to subdue nations before him.

**Second Reading** (1 Thessalonians 1.1-5ab)

We remember your work of faith and labour of love and steadfastness of hope.

**Gospel** (Matthew 22.15-21) Give to Caesar the things that are Caesar's, and to God the things that are God's.

#### Reflection:

**When was the last time you spent time counting your blessings?**

Each of us has been given so much by GOD. Yet, it is so easy to take the divine gifts for granted. We credit ourselves for the positive experiences in our life. Yet the only thing that we can take full credit for is our own sinfulness. Everything else comes directly or indirectly from GOD. GOD can even bring GOOD out of tragedy and problems. GOD can work wonders for us, even through unbelieving peoples. We need to lift up our continual thanks and praise to GOD.

As we ponder the readings today, we are reminded to give to GOD what belongs to GOD. In Isaiah, GOD calls Cyrus (the pagan ruler) "GOD's own anointed (*messiah*). Even the heathen leaders belong to GOD and GOD can use them to bring divine Goodness to the chosen people – the Jews. The psalm is a hymn of praise of GOD for GOD's being the true ruler of all peoples. In our Second Reading, St. Paul begins his earliest letter to the people of Thessalonica. He thanks GOD for gifting the Thessalonians with faith, hope, and love. In the Gospel, in response to a question posed by the religious and civil leaders, Jesus instructs everyone that GOD must be given all that belongs to GOD. **Faith, Hope, and Love.** Understanding these three is not difficult because through GOD's graciousness, they originate from Him. GOD has given us **faith**, the ability to believe. Our faith in Him is merely our appreciation for being given the opportunity to believe. God has given us a cause for **hope**, especially as a result of the death and resurrection of Jesus. Our hope also is a demonstration of our acceptance of that in which He has provided us to hope. And our **love** does not originate in us. It is a result of being loved first by GOD.
